What is Governor's Office for Children, Youth & Families?

The Governor's Office for Children, Youth & Families (GOCYF) provides resources, promotes citizen engagement and leads innovative programs to strengthen and empower families and communities. To achieve the Governor's vision for healthy communities, the office is organized into several areas: Children, Community and Youth Development, Substance Abuse Policy and Women. Experienced and knowledgeable professionals with expertise in their particular areas staff each area and act as resources to our funded partners.

The GOCYF acts as a catalyst for overall systems changes. Our commissions advise and monitor policy initiatives and grant programs. The GOCYF convenes numerous commissions, councils and task forces which include: the Arizona Parents Commission on Drug Education and Prevention, the Arizona Substance Abuse Partnership, the Arizona Juvenile Justice Commission, the Governor's Commission to Prevent Violence Against Women, the Governor's Commission on Service and Volunteerism and the Governor's Youth Commission. To achieve its goal of community participation and inclusiveness, the commissions and councils are composed of diverse people representing a variety of geographic areas, ethnicities, interests, and professions.

What is the Governor's Commission on Service and Volunteerism?

The Governor's Commission on Service and Volunteerism (the Commission) was founded in 1994 to provide oversight and to administer Arizona's AmeriCorps funding through the Corporation for National and Community Service, as appropriated by Congress. In 1999, the mission of the Commission was expanded to become the Governor's policy-recommending body on volunteer and service issues. In 2009, with the Serve America Act, the Commission's role has been expanded to include providing training and technical assistance to all AmeriCorps and Learn and Serve, and Senior Corps Programs in Arizona. Arizonans representing the diversity and unique nature of the state are appointed to serve on the Commission by the Governor.

Throughout its growth and development, the Commission has placed great emphasis on developing the capacity of community infrastructures to better identify and address important community needs at the local level.

Mission: The Commission initiates, builds, enhances, motivates and maintains an ethic of service and volunteerism statewide.

Vision: the Commission envisions a state in which Arizonans of all ages, backgrounds and abilities view service and volunteerism as their civic responsibility and become connected and strengthened through a commitment of civic engagement.

What are AmeriCorps*State Professional Corps Programs?

AmeriCorps was established in 1993 as a way for Americans of all ages, backgrounds and abilities to give back to their communities. AmeriCorps supports programs which have the following key elements:

- Programs that are high-quality, innovative, have the potential to be replicated by programs in other areas, and that can sustain themselves or the service activities with other support when the grant period ends.

- Programs that collaborate with or propose to foster Federal Work Study students in community service.
- Programs that are geographically diverse across the state, region, or country and include urban and rural areas.
- Programs that demonstrate they can effectively develop and administer an AmeriCorps program with proper supervision, monitoring, evaluation, and financial controls.
- Programs that involve recruitment, support, and management of volunteers that enhances or builds upon direct service goals of the program or organization.
- Partnerships that include small community based, faith-based, or grassroots non-profits that address a defined local need.
- Programs that will produce results for local communities.
- AmeriCorps grants support programs that are expected to be self-sustaining over time.
- Professional Corps programs provide AmeriCorps members with a living allowance, and provide health care and child care benefits to full time AmeriCorps members. Upon the successful completion of service, an education award is provided to AmeriCorps members through the National Service Trust.
- Professional Corps programs place AmeriCorps members as teachers, health care providers, police officers, engineers, or other professionals in communities where there is a documented shortage of such professionals.
- Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget.
- Professional Corps members receive a healthcare and child care benefits, in addition to earning an Education Award.
- Applicants are eligible to apply for funding for a portion of program costs.

Other CNCS programs include AmeriCorps*National Direct, AmeriCorps*Tribal, AmeriCorps*VISTA, AmeriCorps*NCCC, Senior Corps, and Learn and Serve America. To find out more about the programs above, including AmeriCorps, visit <http://www.nationalservice.gov>.

What is the Corporation for National and Community Service?

The mission of the Corporation for National and Community Service (CNCS) is to improve lives, strengthen communities, and foster civic participation through service and volunteering. For more than fifteen years, the CNCS—through its Senior Corps, AmeriCorps programs—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

On April 21, 2009, President Obama signed the Edward M. Kennedy Serve America Act, the most sweeping expansion of national service in a generation. This landmark law not only expands service opportunities, but also focuses national service on key outcomes; builds the capacity of individuals, nonprofits, and communities to succeed; and encourages innovative approaches to solving problems.

In alignment with the Serve America Act, this AmeriCorps*State Professional Corps RFGA aligns with the federal *Notice of Federal Funding Opportunity* and will focus AmeriCorps grantmaking in six Focus Areas identified by the Act:

- Disaster Services
- Economic Opportunity
- Education

- Environmental Stewardship
- Healthy Futures
- Veterans and Military Families

In order to carry out Congress' intent and to maximize the impact of the investment in AmeriCorps, the Commission seeks to fund programs that can demonstrate community impact and solve community problems through an evidence-based approach (e.g. performance data, research, theory of change).

In addition to the nationally identified focus areas, the Commission will provide organizations the opportunity to design quality programs to better address the priority areas of service-learning, **OR** youth-adult partnerships, **OR** encore service programs and will award Priority Points for addressing one of these priority areas.

What is the Funding Source for this Grant?

The Corporation for National and Community Service provides funding for all AmeriCorps*State Programs, including Education Award Programs. The Edward M. Kennedy Serve America Act (Serve America Act) reauthorizes service programs administered by the Corporation for National and Community Service. Their web site is <http://www.nationalservice.gov>. The Catalog of Federal Domestic Assistance (CFDA) Number for the AmeriCorps Grant is 94.006.

What Arizona Entities are Eligible to Apply for this Funding Opportunity?

The following Arizona entities are eligible to apply:

- School districts and institutions of higher education
- Local, county, tribal, state government entities
- Any partnership of the above listed entities (a fiscal agent must be designated), or an intermediary organization representing the interests of the above listed entities
- A non-profit and/or a community or faith-based organization

For the purposes of this application, the GOCYF considers an Arizona non-profit faith-based organization to include:

- A religious congregation (church, mosque, synagogue, temple, etc.)
- A spiritual assembly
- An organization, program, or project sponsored/hosted by a religious congregation/spiritual assembly (may be incorporated or not incorporated)
- A non-profit organization founded by religious congregation/spiritual assembly or religiously-motivated incorporators and board members that clearly states in its name, incorporation, or mission statement that it is a religiously-motivated institution
- A collaboration of organizations that clearly and explicitly includes organizations from the previously described categories

What is the Funding Availability?

The Commission anticipates awarding new and recompeting AmeriCorps grants for fiscal year 2012. The actual level of funding will be subject to the availability of annual appropriations,

which have not yet been made by Congress. Once again, the Commission anticipates that this AmeriCorps grant competition will be highly competitive. **High quality applications will be submitted for funding in a national competition, only. No state formula funds will be allocated to this RFGA.**

This is a twelve (12) month contract that may be renewable for two additional twelve month contracts. Successful applicants may be eligible for continuation funding for a second and third program year contingent upon the availability of federal appropriations, compliance with terms and conditions, programmatic and financial performance, and through the submission of a renewal application. **The initial contract period for any resultant grant is anticipated to begin September 1, 2012 through August 31, 2013.**

For this application, a combination of AmeriCorps member slots may be requested that results in federal budget share of **not less than \$50,000 minimum** (20 Full-Time MSY) **and a maximum of \$250,000** (100 Full-Time MSY). Average cost per Member Service Year (MSY) may not exceed \$2,500.00.

What Will This Request for Grant Application Fund?

Arizona public or private nonprofit organizations, including labor organizations, faith-based and other community organizations; institutions of higher education; government entities within states or territories (e.g., cities, counties); Indian Tribes; partnerships or consortia; and intermediary organizations are eligible to apply. AmeriCorps*State Professional Corps Program grants will be awarded to eligible organizations that identify high-priority, unmet needs in their community that will be addressed by AmeriCorps members recruited, trained and managed by the organization. An AmeriCorps member is an individual age 17 and older who is enrolled in an approved national service position and engages in community service. Members may receive a living allowance and other benefits while serving as an AmeriCorps member. Upon successful completion of their term of service, members receive a Segal Education Award from the National Service Trust.

A. What is the purpose of AmeriCorps funding?

The purpose of AmeriCorps is to maximize the power of service and volunteering to improve lives in communities across the country. In the Edward M. Kennedy Serve America Act, Congress directed the CNCS to focus national service in areas where service can make a major impact, including education, energy conservation, health, economic opportunity for economically vulnerable individuals, increasing service by and for veterans, and providing disaster services.

The CNCS and the Commission are carrying out Congress's intent by targeting AmeriCorps funding in these six focus areas. In accordance with the Act, through this RFGA and its other activities, the CNCS and the Commission seeks to:

- Direct the power of AmeriCorps to solve a common set of challenges.
- Expand opportunities for all Arizonans to serve.
- Build the enduring capacity of individuals, organizations and communities to effectively use service and volunteering to solve community problems.
- Embrace innovative solutions that work.

AmeriCorps grants are awarded to eligible organizations engaged in evidence-based

interventions that utilize AmeriCorps members to strengthen communities. An AmeriCorps member is an individual who is enrolled in an approved national service position and engages in community service. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service members receive a Segal AmeriCorps Education Award from the National Service Trust.

Brief descriptions of the six Focus Areas follow.

A brief description of Capacity Building follows.

Capacity Building:

In addition to the six Focus Areas described above, AmeriCorps grants may also provide support for capacity building activities provided by AmeriCorps members. As a general capacity building activities are considered to be *indirect services* that enable organizations to provide more, better and sustained *direct services*. Capacity building activities cannot be solely intended to support the administration or operations of the organization. Examples of capacity building activities include:

- Recruiting and/or managing community volunteers.
- Implementing effective volunteer management practices.
- Completing community assessments that identify goals and recommendations.
- Developing new systems and business processes (technology, performance management, training, etc.) or enhancing existing systems and business processes.

Encore Programs

Congress set a goal that 10 percent of AmeriCorps funding should support encore service programs that engage a significant number of participants age 55 or older.

National Performance Measures:

In 2012, the Commission in partnership with the CNCS will implement the third year of the National Performance Measures Pilot. National Performance Measures allow the CNCS to demonstrate the aggregated impact of all AmeriCorps programs.

The CNCS National Performance Measures are split into two groups: Priority Performance Measures and Pilot Performance Measures.

- Priority Performance Measures are a subset of the original National Performance Measures Pilot with the addition of capacity building measures.

Applicants are strongly encouraged to utilize the National Performance Measures.

Application Requirements

eGrants Account: Applicants need to establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting “Don’t have an eGrants account? Create an account.”

Your eGrants application consists of the following components. Make sure to complete each section.

- I. Applicant Info
- II. Application Info
- III. Narratives
- IV. Performance Measures
- V. Documents
- VI. Budget
- VII. Review, Authorize, and Submit
- VIII. Survey on Ensuring Equal Opportunity for Applicants

I. Applicant Info

Information entered in the Applicant Info, Application Info, and Budget sections will populate

the SF 424 Facesheet (Attachment B)

- Select New if you are applying for the first time, have received formula funding in the past, or are a former grantee (non-formula).
- Enter, or update your contact information in the fields that appear. The contact person needs to be the person who can answer questions about the application.
- Enter or select a Program Director and Program Website URL.

II. Application Info

In the Application Info Section enter:

- Areas affected by your proposed program. Please include the two-letter abbreviation with both letters capitalized for each state where you plan to operate. Separate each two-letter state abbreviation with a comma. For city or county information, please follow each one with the two-letter capitalized state abbreviation.
- Indicate Yes or No if you are delinquent on any federal debt. If yes, send explanation as described in Section V.D.
- State Application Identifier: Enter N/A.
- State Single Point of Contact: This is pre-filled as “No, this is not applicable.”
- If you plan to request the alternative match schedule, you must submit your request as described in the Budget Section, below, at least 60 days prior to the application deadline.
- For “Project Director” please enter the project director or other person to contact on matters related to the application.
- Leave the box for “Program Initiative” blank.
- The “Estimated Funds Requested” box will be populated automatically after you complete the budget.

III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your program meets the selection criteria. Below are some general recommendations to help you present your program in a way the reviewers will find compelling and persuasive.

- Lead from your program strengths and be explicit.
- Be clear and succinct. Reviewers are not interested in jargon, boilerplate, rhetoric, or exaggeration. They are interested in learning precisely what you intend to do, and how your program responds to the selection criteria presented below.
- Avoid circular reasoning. The problem you describe should not be defined as the lack of the solution you are proposing.
- Explain how. Avoid simply stating that the criteria will be met. Explicitly describe how the proposed program will meet the criteria.
- Don’t make assumptions. Even if you have received funding from the Commission/ the CNCS in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- Use an impartial proofreader. Before you submit your application, let someone who is completely unfamiliar with your program read and critique the program narrative.
- Follow the instructions and discuss each criterion in the order they are presented in the instructions. Use headings to differentiate narrative sections by criterion.

In eGrants, you will enter text for:

- Executive Summary
- Rationale and Approach (Program Design)
- Organizational Capability
- Cost Effectiveness and Budget Adequacy
- Evaluation Plan

You may not exceed 26 double-spaced pages for the Narratives, including the Executive Summary and Cover Page, as the pages print out from eGrants. Reviewers will not consider material submitted over the page limit, even if eGrants allows you to enter and submit text over the limit. From the Review and Submit page, print out your application prior to final submission to ensure it is not over the 26 page limit. This limit does not include the budget and performance measures, and any other required exhibits/attachments.

Note: The Narratives Section also includes fields for Clarification Information, Amendment Justification, and Continuation Changes. Please enter N/A in these fields. They may be used at a later date to enter information for clarification following review, to request amendments once a grant is awarded, and to enter changes in the narrative in continuation requests.

External and staff reviewers will assess your application against the selection criteria. The bullets that follow the criteria are recommendations on how to best respond to the criteria. To best respond to the criteria, we suggest that you include a brief discussion of each bullet if it pertains to your application.

A. Executive Summary

Please provide a one-paragraph executive summary of your proposed program. This summary must be one-half page or less. The summary should include who, what, where, when, and why:

- Who will be serving? Who will be served?
- What will the AmeriCorps members do?
- Where will the activity take place?
- When does the program begin and end?
- What is the expected outcome(s) of the program?

You may fill in the blanks in the following template to complete your executive summary.

[Number of] AmeriCorps members will leverage an additional [number of leveraged volunteers, if applicable] to [what the members will be doing] in [where they will be working]. At the end of the [duration of program] period, [anticipated outcome of program]. This program will focus on the focus area of [Focus Area(s)]. The federal investment of \$[amount of request] will be matched with \$[amount of projected match].

The CNCS will post these summaries on www.nationalservice.gov in the interest of transparency and Open Government.

B. Selection Criteria

Each application must clearly describe a program that will effectively deploy AmeriCorps members to solve a significant community problem.

1. Rationale and Approach/ Program Design (50 percent)

In assessing Rationale and Approach/ Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members are particularly well-suited to solving the identified community needs.

Specifically, reviewers will assess the extent to which the applicant:

- Provides persuasive evidence that the identified needs exist in the targeted community(ies).
- Describes the ways in which AmeriCorps members are a highly effective means to solving the identified community needs, including the unique value added by AmeriCorps.
- Describes how the interventions the AmeriCorps members and volunteers are or will be engaged in are both evidence-based and will have a measurable community impact. The intervention is evidence-based if programs can demonstrate community impact and solve community problems through an evidence based approach (e.g. performance data, research, theory of change).
- Describes the program components that enable the AmeriCorps members to have powerful service experiences that increase community impact and lead to continued civic participation and connectivity with other AmeriCorps and national service participants.
- Convincingly links four major elements: (1) the need(s) identified, (2) the intervention that will be carried out by AmeriCorps members and community volunteers, (3) the ways in which AmeriCorps members are particularly well-suited to deliver the intervention, and (4) the anticipated outcomes.

In discussing how you will meet the criteria, please include your response to the following:

a. Need

Describe the community need(s) you will be working on. Why did you choose this need? Provide documentation of the extent/severity of the need in the target community. Describe the target community. Why did you select this population to be served?

b. Value Added: AmeriCorps Member Roles and Responsibilities

What will members do? Give examples of specific proposed member activities. Why are the members a highly effective means to solve the identified community need? What is the added value of the AmeriCorps members' service? How many members are you requesting? What types of slots (service terms) are needed for these members? If an applicant is requesting different slot types, explain how the different slot types align with your program design and activities.

If AmeriCorps members have an expanded role such as non-supervisory leadership positions that involve differentiated allowance, you must describe the organizational and budgeted support for the expanded opportunity, including an explanation of the

differentiated living-allowance and source of funds for the differentiated living allowance.

c. Evidence-Based

Describe how the interventions the AmeriCorps members and volunteers will be engaged in are both evidence-based and will have a measurable community impact.

d. Member Experience

Describe the program components that enable the AmeriCorps members to have powerful service experiences that increase community impact and lead to continued civic participation and connectivity with other AmeriCorps and national service participants. Demonstrate how you will provide structured opportunities for participants to reflect on and learn from their service which will result in a quality member experience and promote a lifelong ethic of service and civic responsibility. Describe how your program will ensure that members are aware they are AmeriCorps members and identify as such to community members, partners, and the general public. Describe how you will connect your members with each other, with other AmeriCorps members and national service participants in the local communities in which they serve, with other AmeriCorps and national service participants in the state, and nationally. How will your program foster a sense of connection and identity with the AmeriCorps brand?

e. Overall Picture

How does your program design link: (1) the need(s) identified, (2) the intervention that will be carried out by AmeriCorps members and community volunteers, (3) the ways in which AmeriCorps members are particularly well-suited to deliver the intervention, and (4) the anticipated outcomes?

f. AmeriCorps Member Selection, Training, and Supervision

Describe your plans for recruiting members for your program. Describe how members will be included from the local communities to be served by your program. If you will be recruiting and engaging traditionally underrepresented populations, please describe the organization's history with working with those populations or how it will ensure success if this is a new population being recruited. Underrepresented populations may include new Americans, low-income individuals, rural residents, older Americans, veterans, members of faith-based organizations, communities of color, Native Americans and people with disabilities.

Describe your plan for orienting members to AmeriCorps, the community they are serving, their placement site, and to the service they will perform. Describe how you will ensure that training provided to members will prepare members to perform all the activities they will engage in during their term of service. Describe, as necessary, the ongoing training provided to members throughout their terms. What are the anticipated training topics and the timeline for member training? How and when will you ensure that members are aware of prohibited activities? What, if any, program design and/or member or staff training changes will be made to ensure a positive member experience for underrepresented populations?

Describe your plan for supervising members, and how it ensures that members will receive adequate support and guidance throughout their terms. Who will supervise the AmeriCorps members? Describe how supervisors are selected and trained. Describe

how your program provides training, oversight, and support to supervisors.

g. Outcome: Performance Measures

What is the overall change you want to see by the end of the three-year grant cycle? What demonstrable impact will your program have? How will you measure impact? How will you report on this on an annual basis? How did you determine your performance measure targets?

Current Subgrantees Only: What impact has your program had? How successful have you been in tackling the identified problem?

h. Volunteer Generation

Describe how the proposed program will recruit volunteers to expand the reach/impact in the community. How will volunteers help meet the identified community needs and what will be their role(s)? What role will AmeriCorps members have in volunteer recruitment and management? How many volunteers does the proposed program to generate and how many hours will they serve?

i. Tutoring Programs Only

If you are proposing to operate a tutoring program, describe how your process complies with AmeriCorps requirements for member tutoring qualifications. Members who tutor must have a high school diploma, and successfully complete high-quality, research-based pre- and in-service training for tutors. This requirement does not apply to a member enrolled in a secondary school who is providing tutoring through a structured, school-managed cross-grade tutoring program.

Describe how your strategy for training members complies with AmeriCorps requirements for member tutor training that is high quality and research based, consistent with the instructional program of the local agency and with state academic content standards [section 1111 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6311)], includes appropriate member supervision by individuals with expertise in tutoring, and provides specialized pre-service and in-service training consistent with the activities the member will perform.

2. Organizational Capability (25 percent)

Reviewers will assess the extent to which:

- The organization has the experience, staffing, and management structure to plan, implement and evaluate the proposed program.
- The organization has secured, or describes an effective plan for securing, the financial and in-kind resources necessary to support program implementation and to demonstrate community stakeholder support.
- The organization has the ability and structure to ensure its and its subgrantees and/or service locations' compliance with AmeriCorps rules and regulations including prohibited activities.
- Current or previous AmeriCorps subgrantees filled the member positions they were awarded and retained the AmeriCorps members they enrolled or have provided an explanation for less than 100% enrollment and retention.
- Current or previous AmeriCorps grantees have met performance targets and demonstrated compliance with grant terms and conditions.

In discussing how you will meet the criteria, please include your response to the following:

a. Organizational Background and Staffing

Provide the organization's mission and a brief history. Identify the primary and secondary contacts for the grant application. Describe your organization's prior experience administering AmeriCorps grants or other federal funds. Describe your organization's experience raising funds to support service activities and initiatives. Please list all sources of organizational funding in this section, and what percent the proposed AmeriCorps program represents in your budget. If you have received support from the Commission/CNCS during the last five years, please specify what type of support you received. What percentage of your total funding comes from the Commission/CNCS?

Explain your organization's management structure and how the board of directors (if applicable), administrators, and staff members will support your program.

If you already operate an AmeriCorps program, describe how it is integrated and supported within your organization. Provide evidence that you have managed the program well, have performed satisfactorily, and have a record of compliance and responsiveness.

Who will staff the AmeriCorps program and what is their specific role? What is their relevant experience? If positions are currently vacant, please describe the desired qualifications for each open position. What are your plans for providing financial and programmatic orientation; training and technical assistance; and monitoring program and service sites for compliance?

b. Sustainability

Outline your plans for ensuring that the impact of your program in the community is sustainable beyond the presence of federal support. For example, you might describe how your community relationships will lead to community investment in the program's continued operation; how you will diversify your funding sources to include a wide range of stakeholders (such as state, local, and private sector funding); how your strategies for recruiting and supporting volunteers will sustain member activities after your AmeriCorps grant ends; or how the community will maintain your program once it is completed.

Who are your community stakeholders and partners? How are they involved in planning and implementing the proposed program?

c. Compliance and Accountability

How will your organization ensure compliance with AmeriCorps rules and regulations at the subgrantee and service site locations (if applicable)? How will your organization prevent and detect compliance issues in general and specifically as it relates to prohibited activities? How will your organization hold itself, subgrantees, and service site locations (if applicable) accountable if instances of risk or noncompliance are identified?

Current and Former Subgrantees Only

d. Enrollment and Retention

Enrollment: If you enrolled less than 100% of slots received during your last full year of program operation, provide an explanation, and describe your plan for improvement. Enrollment rate is calculated as slots filled plus refill slots filled divided by slots awarded.

Retention: If you were not able to retain all of your members during your last full year of program operation, provide an explanation, and describe your plan for improvement. While we recognize retention rates may vary among equally effective programs depending on the program model, we expect subgrantees to pursue the highest retention rate possible. Retention rate is calculated as the number of members exited with award (full or partial award) divided by the number of members enrolled.

e. Performance Targets and Demonstrated Compliance

Performance Targets: Describe your performance against objectives during your last full year of program operation. If you did not meet performance targets, provide an explanation and describe your plan for improvement.

Demonstrated Compliance: Describe any compliance issues and areas of weakness/risk identified during your last full year of program operation at your organization and service sites (if applicable). If you and service sites (if applicable) had compliance or areas of weakness/risk identified, provide an explanation and describe the corrective action taken and your plan for improvement.

NOTE: Past performance on any grants from the Governor's Office for Children, Youth and Families, other state agencies, or other grants in general shall be taken into consideration in the evaluation of your application.

3. Cost Effectiveness and Budget Adequacy (25 percent)

Reviewers will assess the extent to which:

- The budget is clear, reasonable, cost-effective, and in alignment with the program narrative.
- The requested funds do not exceed the maximum cost per Member Service Year (MSY), or for existing programs, have not increased over previous years. The amount requested is a competitive factor in the selection process.

a. Cost Effectiveness

The cost per MSY is determined by dividing the federal share of budgeted grant costs by the number of MSYs requested in the application. It does not include childcare or the cost of the education award. One MSY is equivalent to at least 1,700 service hours, a full-time AmeriCorps position. The cost per MSY will be automatically calculated once you enter your budget in eGrants.

Cost effectiveness will be evaluated by analyzing cost per MSY in relation to your program design. If you request above the maximum, please justify. This is rarely approved.

If AmeriCorps members have an expanded roles, such as non-supervisory leadership positions that involve differentiated allowance, you must describe the organizational and budgeted support for the expanded opportunity, including an explanation of the differentiated living-allowance and source of funds for the differentiated living allowance.

Demonstrate how your program has or will obtain diverse resources for program implementation. Indicate how much funding your program needs from non-Corporation sources to support the program. Indicate the non-CNCS resource commitments (in-kind and cash) that you have obtained to date and the sources of these funds. Indicate what additional commitments you plan to secure, and how you will secure them.

b. Current Subgrantees Only:

Describe the extent to which you are increasing your share of costs to meet or exceed program goals, or the extent to which you are proposing deeper impact or broader reach without a commensurate increase in Federal funds.

Cost per MSY: Current subgrantees requesting a higher cost per MSY than in the previous year must include a compelling rationale for this increased cost. This applies even if the increased cost per MSY is less than the maximum or if the increase is due to increased costs associated with the grant.

c. Special Circumstances

In applying the cost-effectiveness criteria, circumstances of individual programs may be taken into consideration, including but not limited to: program age, the extent to which your program expands to new sites; whether your program or project is located in a resource-poor community, such as a rural or remote community, a community with a high poverty rate, or a community with a scarcity of corporate or philanthropic resources; whether your program or project is located in a high-cost, economically distressed community, measured by applying appropriate Federal and State data; and whether the reasonable and necessary costs of your program or project are higher because they are associated with engaging or serving difficult-to-reach populations, or achieving greater program impact as evidenced through performance measures and program evaluation.

If an applicant feels that any of the circumstances stated above have an impact on your organizational capability that has not already been discussed, please describe the circumstance and how it affects your organizational capacity.

c. Budget Adequacy

Discuss the adequacy of your budget to support your program design including how it is sufficient to support your program activities and desired outputs and outcomes. Please explain how the cost of criminal history checks and FBI checks, if applicable, are covered if they are not included in the budget.

C. Evaluation Summary or Plan

If you are competing for the first time, please enter N/A in the Evaluation Summary or Plan field since it pertains only to current subgrantees. If you are recompeting for AmeriCorps funds for the first time you must submit a summary of your evaluation efforts or plan to date in the Evaluation Summary or Plan field in eGrants. If you are a subgrantee for a

subsequent time, you must submit your evaluation report according to the instructions in V. E., below. An evaluation report may be submitted in place of an evaluation plan.

Your evaluation requirements differ depending on the amount of your grant, as described in the AmeriCorps Regulations, Section 2522.710:

- If you are a State and/or National subgrantee (other than an Education Award Program grantee), and your average annual AmeriCorps program grant is \$500,000 or more, you must arrange for an external evaluation of your program, and you must submit the evaluation with any application to the Commission for competitive funds as required in §2522.730 of this subpart.
- If you are a State and/or National subgrantee whose average annual AmeriCorps program grant is less than \$500,000, or an Education Award Program subgrantee, you must conduct an internal or an external evaluation of your program, and you must submit the evaluation with any application to CNCS for competitive funds as required in §2522.730 of this subpart.

Current subgrantees submitting an application that satisfies the CNCS definition of “same program” below, and has been funded in formula for at least one three-year cycle **must submit an evaluation plan, summary, or evaluation report when you re compete for the first time. If your project does not satisfy the definition, it will be considered new and will not be required to submit an evaluation plan, summary, or completed evaluation.**

Two programs will be considered the same if they:

- Address the same issue areas.
- Address the same priorities.
- Address the same objectives.
- Serve the same target communities and population.
- Utilize the same sites.
- Use the same program staff and members.

D. Amendment Justification

Enter N/A. This field may be used if you are awarded a grant and need to amend it.

E. Clarification Information

Enter N/A. This field may be used to enter information that requires clarification in the post-review period. Please clearly label new information added during clarification with the date.

F. Continuation Changes

Enter N/A. This field may be used to enter changes in your narratives in your continuation requests.

IV. Performance Measures

All applicants must submit performance measures with their application. See Attachment D for specific instructions for entering performance measures and Attachment I for National Performance Measures. Applicants are encouraged to select performance measures from Tier 1, 2, 3.

For more information about Performance Measures go to:
<http://www.nationalserviceresources.org/star/ac>

For more information about the National Performance Measures go to:
<http://www.nationalserviceresources.org/national-performance-measures/home>.

V. Documents

In addition to the application submitted in eGrants, you are required to provide your evaluation documents (if a current subgrantee with the same focus and performance measures), labor union concurrence (if necessary – see B., below), a federally-approved indirect cost agreement (if necessary – see C., below), and delinquency of a federal debt (if necessary – see D., below) in hard copy as part of your application to the GOCYF.

A. Evaluation

Submit any completed evaluation plan or report.

B. Labor Union Concurrence

- 1) If a program applicant:
 - a) Proposes to serve as the placement site for AmeriCorps members; and
 - b) Has employees engaged in the same or substantially similar work as that proposed to be carried out by AmeriCorps members; and
 - c) Those employees are represented by a local labor organization, then the application must include the written concurrence of the local labor organization representing those employees. Written concurrence can be in the form of a letter or e-mail from the local union leadership.
- 2) If a program applicant:
 - a) Proposes to place AmeriCorps members at sites where they will be engaged in the same or substantially similar work as employees represented by a local labor organization, then the applicant must submit a written description of how it will ensure that:
 - i) AmeriCorps members will not be placed in positions that were recently occupied by paid staff.
 - ii) No AmeriCorps member will be placed into a position for which a recently resigned or discharged employee has recall rights as a result of a collective bargaining agreement, from which a recently resigned or discharged employee was removed as a result of a reduction in force, or from which a recently resigned/discharged employee is on leave or strike.

For the purposes of this section, “program applicant” includes any applicant to the Commission, as well as any entity applying for assistance or approved national service positions through a CNCS grantee or subgrantee.

C. Federally-approved Indirect Cost Agreement

Applicants that include a federally approved indirect cost rate amount in their budget must submit the approved indirect cost rate to the GOCYF.

D. Delinquent on Federal Debt

Any applicant that checks Yes to the question on federal debt delinquency in eGrants must submit a complete explanation to the GOCYF.

VI. Budget Instructions

A. Budget instructions regarding the AmeriCorps Member Living Allowances:

1. What are the requirements regarding member living allowance?

Professional Corps programs place AmeriCorps members as teachers, health care providers, police officers, engineers, or other professionals in communities where there is a documented shortage of such professionals. Applicants are eligible to apply for funding for a portion of program costs.

Table 1: Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1700	\$12,100	No maximum. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget.

2. What are the exceptions to the living allowance requirements?

Prior to September 21, 1993

If a program existed prior to the National and Community Service Trust Act of 1993 (enacted September 21, 1993), the law does not require a living allowance. If an applicant chooses to offer a living allowance, it is exempt from the minimum requirement of \$12,100, but not the maximum requirement of \$24,200.

3. What is the Maximum Cost per Member Service Year?

Comparative costs per MSY are considered in making funding decisions. One MSY is equivalent to at least 1,700 service hours, a full-time AmeriCorps position. The CNCS cost per MSY is determined by dividing the federal share of budgeted grant costs by the number of MSYs requested. It does not include child care or the value of the education award a member may earn. The maximum amount an applicant may request per MSY is determined on an annual basis.

Table 2: 2012 Maximum Cost per MSY

Grant Program	Maximum
AmeriCorps*State Professional Corps Programs	\$2,500

B. Federal Share of the Budget

For this application, a combination of AmeriCorps member slots may be requested that results in federal budget share of **not less than \$50,000 minimum** (20 Full-Time MSY) **and a maximum of \$250,000** (100 Full-Time MSY). **High quality Professional Corps applications will be submitted for funding in the national competition only. No state formula funds will be allocated to this RFGA.** Applicants are encouraged to request less than the full maximum amount allowed per MSY. The amount requested is a competitive factor in the selection process.

C. Match Requirements

Competition	Match Requirement
AmeriCorps*State Professional Corps Programs	<p>Minimum grantee share is 24% of program costs for the first three years. Overall grantee share of total program costs increases gradually beginning in Year 4 to 50% by the tenth year of funding and any year thereafter.</p> <p>The living allowance or salary provided to Professional Corps AmeriCorps members does not count toward the matching requirement.</p>

- If applying for the first time, you must match with cash or in-kind contributions at least 24% of the program's total Operating Costs (Section I) plus Member Costs (Section II) plus Administrative Costs (Section III). If you are recompeting, please see 45 CFR 2521.40-2521.95 for the match schedule.
- The acceptable sources of matching funds are federal* (see following note), state, local, private sector, and/or other funds in accordance with applicable AmeriCorps requirements.
- In Section III of the budget, enter a brief description of the source of match. Identify each match source separately. Include dollar amount, the match classification (cash, in-kind, or Not Available) and the source type (Private, State/Local, Federal, Other or Not Available). Define all acronyms the first time they are used.

***Note:** The CNCS legislation permits the use of non-CNCS federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds. If you use other federal funds as match, you must ensure you can meet the requirements and purpose of both grants. The Federal Financial Report (FFR) will be used to collect the federal match data. Grantees that use federal funds as match will be required to report the sources and amounts on the FFR.

D. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions in Attachment A, Exhibits D and E to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheets in Exhibits D and E.

As you enter your detailed budget information, eGrants will automatically populate a budget summary and budget narrative report. Prior to submission be sure to review the budget checklist to ensure your budget is compliant. In addition, eGrants will perform a limited compliance check to validate the budget. If it finds any compliance issues you will receive a warning and/or error messages. You must resolve all errors before you can submit your budget.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Itemize each cost and present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).

Please refer to the relevant OMB Circulars on allowable costs for further guidance. The OMB circulars are online at www.whitehouse.gov/OMB/circulars.

- A-21 - Cost Principles for Educational Institutions, 2 CFR 220
- A-87 - Cost Principles for State, Local, and Indian Tribal Governments, 2 CFR 225
- A-122 - Cost Principles for Non Profit Organizations, 2 CFR 230

Programs must comply with all applicable federal laws, regulations, and OMB circulars for grant management, allowable costs, and audits, including providing audits to the A-133 clearinghouse if expending over \$500,000 in federal funds, as required in OMB Circular A-133.

VII. Review, Authorize, and Submit

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, Assurances, and Certifications carefully (Exhibit K). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Be sure to check your entire application to ensure that there are no errors before submitting it.

eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission when you verify the application. If someone else is acting in the role of the applicant's authorized representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

VIII. Survey on Ensuring Equal Opportunity for Applicants

CNCS and other federal agencies are collaborating with the White House Office of Faith-Based and Community Initiatives to conduct a survey of organizations that apply for federal funding. The purpose of this voluntary information collection is to compile statistics on the types of organizations that apply to CNCS for funds, such as number of employees, budget size, and self-identification as a faith-based/religious organization or a non-religious community-based organization.

This example form is for applicants that are nonprofit private organizations, not including private universities. All information from the attached survey will be confidential and the responses will be aggregated in a summary report. Information provided on your form will not be released and will not be considered in any way in making funding decisions. If you are submitting a hard copy application, the example form can be found in Exhibit N.

You may complete the survey in eGrants while preparing your application or after submitting your application.

1. To complete the survey while preparing your application in eGrants, go to the Main Menu, select Enter Survey on Ensuring Equal Opportunity, provide the requested information and submit.
2. If you submit your grant application without completing the survey, a pop-up box will appear and ask you if you would like to complete the survey. You may select Yes, No, or Remind Me Later. If you select Remind Me Later, you will be asked to fill in the survey next time you attempt to submit an application.

Yes ___ No ___	All positions in the budget are fully described in the narrative?
Yes ___ No ___	The types of fringe benefits to be covered and the costs of benefit(s) for each staff position are described? Allowable fringe benefits typically include FICA, Worker's Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If the fringe amount is over 30%, please list separately. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item?

Yes ___ No ___	Are the living allowance amounts correct? Full-time AmeriCorps members must receive at least the minimum living allowance. Note: Programs in existence prior to September 21, 1993 may offer a lower living allowance than the minimum. If such a program chooses to offer a living allowance, it is exempt from the minimum requirement, but not from the maximum requirement.

Yes ___ No ___	Is FICA calculated correctly? You must pay FICA for any member receiving a living allowance. Unless exempted by the IRS, calculate FICA at 7.65% of the total amount of the living allowance.
Yes ___ No ___	Is the Worker's Compensation calculation correct? Some states require worker's compensation for AmeriCorps members. Check with your local State Department of Labor or State Commission to determine whether or not you are required to pay worker's compensation and at what level (i.e., rate). Yes ___ No ___	Health care is provided for full-time AmeriCorps members only (unless part-time serving in a full-time capacity)? If your project chooses to provide health care to other half-time members, you may not use federal funds to help pay for any portion of the cost. Projects must provide health care coverage to all full-time members who do not have adequate health care coverage at the time of enrollment or who lose coverage due to participation in the project. In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.

Instructions

By signing and submitting this application, as the duly authorized representative of the applicant, you certify that the applicant will comply with the Assurances and Certifications described below.

a) Inability to certify

Your inability to provide the assurances and certifications listed below will not necessarily result in denial of a grant. You must submit an explanation of why you cannot do so. We will consider your explanation in determining whether to enter into this transaction. However, your failure to furnish an explanation will disqualify your application.

b) Erroneous certification or assurance

The assurances and certifications are material representations of fact upon which we rely in determining whether to enter into this transaction. If we later determine that you knowingly submitted an erroneous certification or assurance, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

c) Notice of error in certification or assurance

You must provide immediate written notice to us if at any time you learn that a certification or assurance was erroneous when submitted or has become erroneous because of changed circumstances.

d) Definitions

The terms “covered transaction”, “debarred”, “suspended”, “ineligible”, “lower tier covered transaction”, “participant”, “person”, “primary covered transaction”, “principal”, “proposal”, and “voluntarily excluded” as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. An applicant shall be considered a “prospective primary participant in a covered transaction” as defined in the rules implementing Executive Order 12549. You may contact us for assistance in obtaining a copy of those regulations.

You agree by submitting this proposal that if we approve your application you shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by us.

f) Assurance inclusion in subgrant agreements

You agree by submitting this proposal that you will obtain an assurance from prospective participants in all lower tier covered transactions and in all solicitations for lower tier covered transactions that the participants are not debarred, suspended, ineligible, or voluntarily

excluded from the covered transaction.

g) Assurance of subgrant principals

You may rely upon an assurance of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless you know that the assurance is erroneous. You may decide the method and frequency by which you determine the eligibility of your principals. You may, but are not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

If you knowingly enter into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

i) Prudent person standard

Nothing contained in the aforementioned may be construed to require establishment of a system of records in order to render in good faith the assurances and certifications required. Your knowledge and information is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- No federal appropriated funds have been paid or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer of Congress in connection with the awarding of any federal contract, the making of any federal loan, the entering into of any cooperative agreement, or modification of any federal contract, grant, loan, or cooperative agreement;
- If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the applicant will submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;
- The applicant will require that the language of this certification be included in the award documents for all subcontracts at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients will certify and disclose accordingly.

Erroneous certification or assurance

The assurances and certifications are material representations of fact upon which we rely in determining whether to enter into this transaction. If we later determine that you knowingly submitted an erroneous certification or assurance, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

Notice of error in certification or assurance

You must provide immediate written notice to us if at any time you learn that a certification or assurance was erroneous when submitted or has become erroneous because of changed circumstances.

A transaction shall be considered a "covered transaction" if it meets the definition in 2 CFR part 180 subpart B, "Covered Transactions."

Assurance requirement for subgrant agreements

You agree by submitting this proposal that if we approve your application you shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared

ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by us.

Assurance inclusion in subgrant agreements

You agree by submitting this proposal that you will obtain an assurance from prospective participants in all lower tier covered transactions and in all solicitations for lower tier covered transactions that the participants are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction.

Assurance of subgrant principals

You may rely upon an assurance of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless you know that the assurance is erroneous. You may decide the method and frequency by which you determine the eligibility of your principals. You may, but are not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

Non-assurance in subgrant agreements

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, for Year 1 of the grant, as follows:

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort as percentage of FTE devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee share. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff and AmeriCorps members.

B. Personnel Fringe Benefits

Under “Purpose/Description,” identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item (please list out all benefits included in this percentage). If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates, but are absorbed into the personnel expenses (salary) budget line item.

C. 1. Staff Travel

Describe the purpose for which program staff will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. The standard mileage reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

The Commission expects all applicants to include funds in this line item for travel for staff and site staff to attend CNCS-sponsored technical assistance meetings. Budgets must include a minimum of \$2,000 in this line.

Please itemize the costs. For example: Two staff members will attend the CNCS National Trainings: 2 staff X \$750 airfare + \$50 ground transportation + (1 day) X \$400 lodging + \$35 per diem = \$2,470 for CNCS National Trainings.

C. 2. Member Travel

Describe the purpose for which members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other related expenses for members to travel outside their service location or between sites. Costs associated with local travel, such as bus passes to local sites, mileage reimbursement for use of car, etc., should be included in this budget category. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information.

D. Equipment

Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of **\$5,000 or more per unit** (including accessories, attachments, and modifications). Any items that do not meet this definition should be entered in E. Supplies below. Purchases of equipment are limited to 10% of the total CNCS funds requested. If applicable, show the unit cost and number of units you are requesting. Provide a brief justification for the purchase of the equipment under Item/Purpose.

E. Supplies

Include the amount of funds to purchase consumable supplies and materials, including member service gear and equipment that does not fit the definition above. You must individually list any single item costing \$1,000 or more. Except for safety equipment, grantees may only charge the cost of member service gear to the federal share if it includes the AmeriCorps logo. Grantees may also add the AmeriCorps logo to their own local program uniform items using federal funds. All safety gear may be charged to the federal share, regardless of whether it includes the AmeriCorps logo. All other service gear must be purchased with non-CNCS funds.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training or evaluation consultants, who will be listed in Sections G. and H., below. Payments to individuals for consultant services under this grant should not exceed \$750 per day (excluding costs for travel, supplies, etc.). The \$750 daily rate is a ceiling, and we anticipate budgeted daily rates at considerably lower levels. Indicate the daily rate, number of days, and total cost for consultants you are proposing to use and their contractual services. Daily rates over the maximum amount should be justified in the narrative.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills staff need for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate, not to exceed the maximum daily rate limit of \$750.

G. 2. Member Training

Include the costs associated with member training to support them in carrying out their service activities. You may also use this section to request funds to support training in Life after AmeriCorps. If using a consultant(s) for training, indicate the estimated daily rate, not to exceed the daily rate limit.

H. Evaluation

Include costs for project evaluation activities, including additional staff time or subcontracts, use of evaluation consultants, purchase of instrumentation, and other costs specifically for this activity not budgeted in Personnel Expenses. This cost does not include the daily/weekly gathering of data to assess progress toward meeting performance measures, but is a larger assessment of the impact your project is having on the community, as well as an assessment of the overall systems and project design. Indicate daily rates of consultants, where applicable.

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for all members and for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share).
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Utilities, telephone, internet and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff, and are not part of the organization's indirect cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Recognition costs for members. List each item and provide a justification in the budget narrative. Gifts and/or food in an entertainment/event setting are not allowable costs.
- Multi-state applicants: Indicate the number of subgrants and the average amount of subgrants. Indicate any match that you will require of your subgrants under the "grantee share" column in this category. Subgranted funds may only cover costs allowable under federal and AmeriCorps regulations and provisions.

Section II. Member Costs

Member Costs are identified as "Living Allowance" and "Member Support Costs." Your required match can be federal, state, local, or private sector funds.

A. Living Allowance

The narrative should clearly identify the number of members you are supporting by category (i.e., full-time, half-time, reduced-half-time, quarter-time, minimum-time) and the amount of living allowance they will receive, allocating appropriate portions between the CNCS share (CNCS Share) and grantee match (Grantee Share).

The minimum and maximum living allowance amounts are provided below.

Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1700	\$12,100	No maximum. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget.

In eGrants, enter the total number of members you are requesting. Enter the average amount of the living allowance for each member. Enter the number of full-time positions you are requesting under the column labeled without (w/o) living allowance.

Under “calculation” you will enter the calculation for your grant request.

Member Positions	Cost per MSY	Total Cost
_____ Full-time (1700 hours) x	\$ _____ =	\$ _____

Enter the total amount requested in the “Total Amount” & “CNCS Share” columns. Leave the “Grantee Share” blank.

Leave all other CNCS Share columns blank. Include all Match calculations in the Grantee Share Column.

Please note that the final amount that a program receives will be adjusted to reflect actual hours served if a member does not serve the minimum number of hours necessary to complete a full term of service.

B. Member Support Costs

Consistent with the laws of the states where your members serve, you must provide members with the benefits described below.

- **FICA.** Unless exempted by the IRS, all projects must pay FICA for any member receiving a living allowance, even when CNCS does not supply the living allowance. If exempted, please note in the narrative. In the first column next to FICA, indicate the number of members who will receive FICA. Calculate the FICA at 7.65% of the total amount of the living allowance.
- **Worker’s Compensation.** Some states require worker’s compensation for AmeriCorps members. You must check with State Departments of Labor or State Commissions where members serve to determine if you are required to pay worker’s compensation and at what level. If you are not required to pay worker’s compensation, you must obtain Occupational, Accidental, Death and Dismemberment coverage for members to cover in-service injury or accidents.

- **Health Care.** You must offer or make available health care benefits to full-time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full-time members with CNCS funds. You may choose to provide health care benefits to less-than-full-time members from other sources (i.e., non-federal) but the cost cannot be included in the budget. Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) are eligible for health care benefits. In your budget narrative, indicate the number of members who will receive health care benefits. CNCS will not pay for dependent coverage.
- **Unemployment Insurance and Other Member Support Costs.** Include any other required member support costs here. Some states require unemployment coverage for their AmeriCorps members. You may not charge the cost of unemployment insurance taxes to the grant unless mandated by state law. Programs are responsible for determining the requirements of state law by consulting State Commissions, legal counsel, or the applicable state agencies.

Section III. Administrative/Indirect Costs

For AmeriCorps*State Professional Corps Programs, Administrative/Indirect Costs may be captured in the match share of the budget.

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Circulars A-21, A-87, and A-122.

Options for Calculating Administrative/Indirect Costs (choose either A OR B)

Applicants choose one of two methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method or a federally approved indirect cost rate method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant.

A. CNCS-Fixed Percentage Method

Five Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of the CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the maximum CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as Corporation share. The factor 0.0526 is used to calculate the 5% maximum amount of federal

funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.

2. To determine the Grantee share for Section III: Multiply the total (both Corporation and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.

3. Enter the sum of the CNCS and grantee shares under Total Amount.

If a commission elects to retain a share of the 5% of federal funds available to programs for administrative costs, that decision is identified within each subgrant's budget. To calculate these fractional shares, within Section III of the subgrant budget, **one-fifth (20%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and four-fifths (80%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.20) = \text{Commission Share}$

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.80) = \text{Subgrantee Share}$

If a commission elects to retain a share that is less than 1% budgeted for administrative costs, adjust the calculation above, as appropriate.

B. Federally Approved Indirect Cost Rate

If you have a federally approved indirect cost rate and choose to use it, the rate will constitute documentation of your administrative costs, including the 5% maximum payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.

3. To determine the Grantee share: Subtract the amount calculated in step 2 (the CNCS administrative share) from the amount calculated in step 1 (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

Source of Match

In the “Source of Match” field that appears at the end of Budget Section III, enter a brief description of the Source of Match, the amount, the match classification (Cash, In-kind, or Not Available) and Match Source (State/Local, Federal, Private, Other or Not Available) **for your entire match.** Define any acronyms the first time they are used.

Performance Measures Instructions (eGrants Performance Measures Section)

AmeriCorps Performance Measures

To begin entering performance measures, from your eGrants grant application page select Performance Measures.

All applicants must complete Steps 1-6. Then, if you are:

- Entering applicant-determined performance measures, follow steps 7A-18A.
- Opting in to the National Performance Measures, follow steps 7B-17B.

Step 1: Select Characteristics.

To begin, click one or more boxes in the “Grant Characteristics”

Step 2: Select Focus Areas

Select the Focus Area in which your primary service activity fits. If your primary service activity does not fit into a Focus Area, select “Other” and skip to **Step 5**. You may select multiple Focus Areas to represent significant areas of AmeriCorps member activity. Do not include multiple Focus Areas to describe the same activity. Select the Focus Area that best describes the activity.

Step 3: Choose whether to Opt-in to National Performance Measures:

Although eGrants will allow you to select all of your Focus Areas at once, we suggest starting with one Focus Area that represents your primary activity and then repeating **Step 2 – Step 6** for additional Focus Areas if applicable.

When you select a Focus Area, eGrants automatically pre-populates the selection “No” in response to the question “Will you be using a national performance measure related to this Focus Area?”

- Leave this selection as “No” if you do not want to participate in the National Performance Measures for that Focus Area.
- Change the selection to “Yes” if you want to opt-in to the National Performance Measures for that Focus Area.

You may consult the “National Performance Measures Instructions” in the Notice of Funding Opportunities (NOFO) or the relevant resource packets (<http://www.nationalserviceresources.org/national-performance-measures/home>) before making your participation decision.

If you selected “Other” as your only Focus Area, you will skip this step as there are no National Performance Measures for “Other”.

Step 4: Complete the MSY Chart(s)

For each Focus Area selected, complete a Member Service Years (MSY) Chart. Click the “view/edit MSY Slots” orange link. There are two sets of numbers to enter in each

MSY Chart. First, for each slot type, enter the number of members that will be providing service in that Focus Area.

Second, enter the percent of time that members of each slot type will spend on activities in that Focus Area. Use whole numbers to represent the percent. Do not use a % or a decimal. eGrants will calculate the total MSYs for each slot type, then aggregate the MSYs for the entire chart in the “Total MSYs Devoted to Priority” field at the bottom of the chart.

Note that MSYs in each Focus Area should be mutually exclusive. Do not double count MSYs. The total MSYs across all Focus Areas selected should not exceed the total MSYs requested in the budget.

Step 5: Add a Service Category

Select your Primary Service Category from the pop-up menu. The Service Category you select will determine the Indicator drop-down options in later steps.

If this is the first or only Service Category you select, eGrants will automatically check “Primary” to indicate this is your primary activity. To select more than one Service Category, simply click the “add a service category” link. Only one Service Category can be indicated as the primary per Focus Area. You may add additional service categories if appropriate for your program design.

Step 6: Add a Performance Measure

You must create at least one aligned set of Performance Measures representing your Primary Service Activity, which is achieved through either National Performance Measures or applicant-determined performance measures.

If you have opted-in to National Performance Measures, you will see the links for both “add a national performance measure” and “add a performance measure.” If you have not opted-in to National Performance Measures, you will only see the link for “add an applicant performance measure.”

Chose National Performance Measures or Applicant- Performance Measures or

- Follow the instructions **7A – 17A** for each aligned set of applicant-determined measures you need to create.
- Follow the instructions for **7B – 17B** for each aligned set of national performance measures you need to create.

Applicant Performance Measures

Step 7A: Add a Performance Measure

Follow the instructions for **7A – 18A** for each applicant-determined performance measure you will create. Begin by creating the Performance Measure Output and then

repeat steps 13A-18A to create an aligned Intermediate Outcome.

Step 8A: Select a Focus Area

The Focus Area drop-down box will consist of all the focus areas that were initially select in the main Focus Area section.

Step 9A Add Performance Measurement Title

Give this performance measure a title—usually 3-4 words that describe the activity—and enter it in the text box.

Step 10A: Select a Service Category

Service Category is a drop-down menu of choices based on your earlier identification of Service

Categories; select one and continue by pressing the “go” button

Step 11A: Describe Strategies to Achieve Result

Briefly describe how you will achieve this result. Keep statements to one or two paragraphs with a maximum of 4,000 characters.

Step 12A: Select a Result Type

You will need to select the Result Type that you intend to track for this activity – output or intermediate outcome – and click “Add New Results Section.” You should begin each aligned

measure with the selection of an Output Measure.

Step 13A: Write a Result Statement

Enter 1-2 sentences stating the expected Result.

Step 14A: Select an Indicator

Select an Indicator from the drop- down menu. If the options provided do not include the Indicator you are measuring, select “other” and describe the Indicator in the text box that will appear. If this is the case, the applicant should make a note in the performance measures section of the Rationale and Approach narrative and should identify the numbers and titles of the pilot measures the applicant intends to opt into as well as the targets and instruments for the for these indicators. Applicants will have an opportunity to enter these measures in eGrants during the clarification process.

Step 15A: Write a Target Description

In 250 characters or less, include a description of the target. Be sure to include how you determine what is counted in this target. For example: 100 parents will attend the eight-week parenting skills/drop-out prevention class.

Step 16A: Select a Target Number or Percent

Write a number in the Target box from your target statement— and indicate whether it is a whole

number or percent—for example, of how many things or services will be created or provided. Output targets often use a number (#) rather than a percent. If you included a

number in your Target Description, this number in the Target Number or Percent field and the number in the Target Description should match.

Step 17A: Identify your Instruments

Describe the Instruments that will be used to measure your output/outcome in 250 characters or less. These are specific tools to collect information such as a behavior checklist, tally sheet, attitude questionnaire, or interview protocol.

Step 18A: Write a Performance Measure Statement

Provide the expected result and target combined into one or two sentences in 1,000 characters or less.

Once you have completed the output performance measurement information, do the same for your intermediate outcome and/or additional measures, if necessary. Begin by identifying the Result Type as “intermediate outcome” and complete Steps 13A through 18A again. If you would like to enter an “end outcome”, you may do so by completing Steps 13A through 18A again. End outcomes are not required.

National Performance Measures

Follow the instructions for **7B –17B** for each aligned set of National Performance Measures you need to create. You will use these instructions to complete measures if you have opted in to National Performance Measures for any Focus Area. Please refer to National Performance Measures Instructions for complete instructions for aligning measures.

- If you select the Education Focus Area and opt-in to National Performance Measures, you are only allowed to select National Performance Measures. You are not allowed to add any additional, applicant-determined measures.
- If you select the Healthy Futures, Economic Opportunity, Environmental Stewardship or Veterans Focus Areas, you will enter your National Performance Measures. If you choose, you may add additional, applicant-determined Measures after you enter the National Performance Measures.

Step 7B: Add a National Performance Measure

First select the Focus Area. Only those Focus Areas that were checked as participating in the National Performance Measures will be displayed.

Step 8B: Add a Performance Measurement Title

Give this performance measure a title — usually 3-4 words that describe the activity — and enter it in the text box. Continue by pressing the “go” button.

Step 9B: Describe Strategies to Achieve Result

Briefly describe how you will achieve this result. Keep statements to one or two paragraphs with a maximum of 500 characters.

Step 10B: Select a Result Type

You will need to select the Result Type that you intend to track for this activity – output or intermediate outcome– and click “Add New Results Section.” You should begin each aligned measure with the selection of an Output Measure.

Step 11B: Select the Indicator

This is where you select your National Performance Measure. There is a drop-down list containing the National Performance Measures for the Focus Areas that you have selected.

Once you select your first National Performance Measure, eGrants will provide onscreen instructions about other National Performance Measures you must use in conjunction with this measure or if you need to add an applicant-determined intermediate outcome.

If you need to add an applicant-determined intermediate outcome measure, you will select “Other” from the pop-up list.

Step 12B: Write Result Statement

Enter 1-2 sentences stating the expected result.

Step 13B Write a Target Description

In 250 characters or less, include a description of the target. Be sure to include how you determine what is counted in this target. For example: 100 parents will attend the eight-week parenting skills/drop-out prevention class.

Step 14B: Select a Target Number

Write the number in the Target box from your target description. You are only allowed to use a number.

Step 15B: Identify your Instruments

Describe the Instruments that will be used to measure your output/outcome in 250 characters or less. These are specific tools to collect information such as a behavior checklist, tally sheet, attitude questionnaire, or interview protocol. Check for guidance on appropriate instruments posted at the National Performance Measures resource page: <http://nationalserviceresources.org/national-performance-measures/home>

Step 16B: Write a Performance Measures Statement

Provide the expected result and target combined into one or two sentences (1,000 characters or less).

Step 17B: Create Aligned Measure

Now that you have completed the output performance measurement information, do the same for your intermediate outcome. Begin by identifying the Result Type, and then complete Steps **11B to 16B** again.

Once you complete entering an aligned measure as defined by the National

Performance Measure, you will return to Step 7 and create any other aligned measures to report member activities in Focus Areas or other areas of service either by:

- **Following Steps 7A – 18A for an applicant-determined measure or**
- Following Steps 7B – 17B for an aligned National Performance Measure.

Alternative Match Instructions

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

Special Circumstances for an Alternative Match Schedule: Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35% instead of 50% as specified in the regulations at §2521.60(b). To qualify, you must demonstrate that your program is either located in a rural county or in a severely economically distressed community as defined below.

A. Rural County: In determining whether a program is rural, CNCS will consider the most recent Beale code rating published by the U.S. Department of Agriculture for the county in which the program is located. Any program located in a county with a Beale code of 6, 7, 8 or 9 is eligible to apply for the alternative match requirement. See Attachment K for the Table of Beale codes.

B. Severely Economically Distressed County: In determining whether a program is located in a severely economically distressed county, CNCS will consider the following list of county-level characteristics. See Attachment K for a list of website addresses where this publicly available information can be found.

- The county-level per capita income is less than or equal to 75 percent of the national average for all counties using the most recent census data or Bureau of Economic Analysis data;
- The county-level poverty rate is equal to or greater than 125 percent of the national average for all counties using the most recent census data; and
- The county-level unemployment is above the national average for all counties for the previous 12 months using the most recently available Bureau of Labor Statistics data.
- The areas served by the program lack basic infrastructure such as water or electricity.

C. Program Location: Except when approved otherwise, CNCS will determine the location of your program based on the legal applicant's address. If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you must provide relevant facts about your program location in your request. CNCS will, in its sole discretion, determine whether some other address is more appropriate for determining a program's location.

If your program is located in one of these areas, see the instructions below for applying for this alternative match schedule. You must submit your request to the alternative schedule at least 60 days before the AmeriCorps application is due. CNCS will review your request and notify you within 30 days if you qualify for the alternative schedule and provide instructions for entering your budget into eGrants under the Alternative Match Schedule.

If approved for the alternative schedules, programs will base their budget in the upcoming application on the approved alternative match. The alternative match requirement will be in effect for whatever portion of the three-year project period remains or if applying as a new grantee, for the upcoming three-year grant cycle.

D. Instructions for the Alternative Match Schedule: Programs operating in one state must send their requests to the State Commission for review and approval. The Commission will then forward the approved request to CNCS for consideration.

Submit with applications to the GOCYF

Send your request in memo format. You must respond to each item below. Please include both the item and your response in your request.

1. Basis of Request

- a. Identify the basis for your request as either a rural county or a severely economically distressed community as described above.
- b. Describe where your program operates and include the address of the legal applicant.

2. Rural Counties

- c. Describe the economic conditions.
- d. Confirm that your county has a Beale code of 6, 7, 8, or 9.

3. Economically Distressed Counties:

- e. Provide your county per-capita income, poverty, and unemployment levels.
- f. Demonstrate that your county per-capita income, poverty, and unemployment levels are above or below the national averages. Identify the data source(s) used to make your determination.
- g. Provide any other statistics you deem relevant to demonstrate your county is economically distressed.

4. Program Location: If you believe the location of your program should not be based on the address of the legal applicant, describe your justification for requesting an alternative location(s).

5. Other: Provide any other justification and information for your request that is not presented in the responses to the above.
